Paddock Safety Week!

Paddock celebrated Safety Week with an opportunity to practice and discuss all of the safety drills. The Milan Fire Department also visited to talk with the students about fire safety. They encouraged the students to talk about and practice fire drills at home with their families and for parents to make sure to change the batteries in all of their smoke detectors. If your family is in need of a smoke detector, please contact the Milan Fire Department at 439-2843.

Looking for Volunteers...All Year Long!

If you're interested in helping out with a future event, please visit: <http://www.signupgenius.com/go/8050c4fadab28a02-paddock> and sign up for what you would like to help with. Signing up on the website helps the event chairperson reach out to potential volunteers. Sign up today!
