

Paddock PTO Meeting Minutes of September 8, 2016

The regular meeting was held in the Art Room of Paddock Elementary School, Milan, MI on September 8, 2016.

Members Present: Katie Jomaa (President), Alyssa Bolton (Vice President), Annie Kruse (Treasurer), Sean DeSarbo, Kelly Faro...(additional names to be added)

President's Report: President Katie Jomaa called the meeting to order at 7:11pm and welcomed the attendees.

The Book Fair and Ice Cream Social are coming up at the end of the month and volunteers are needed to help on the 27th.

We need a volunteer to be chairperson for the December Winter Wonderland dance on 12/9. This chairperson may work with a committee to come up with the theme, contact DJ and photographer, determine snacks, decorate for the event and clean up after. Additional volunteers can be requested to help that night.

Treasurer's Report: Treasurer Annie Kruse still needs to meet up with former treasurer to obtain all documentation.

Principal's Report: Principal Sean DeSarbo was excited to see new faces at the PTO meeting. The school year has got off to a great start and kindergarten predictions were above and beyond expectations. Paddock now has 151 kindergartners.

Recess was limited this week due to the extreme heat.

Classrooms were moved around a little this summer to allow the school to be organized by grade level. Each hallway is now a separate grade level. Thank you to the teachers for their cooperation.

New Business: How can we offer more money to support our teachers? At the meeting different ideas were discussed such as a basket raffle, selling concessions at already planned events, a family fun night in the spring, etc. We also discussed having the teachers create wish lists for the items they're most in need of as well as the possibility of updating the teacher's lounge.

Meeting was adjourned at 7:58pm
