Your Monthly Newsletter from the Paddock PTO

Welcome Back!

A big welcome back or welcome to Paddock to all students, parents and teachers! The school year is already in full swing and the PTO has many fun events planned for the year. More details about the upcoming events will be given at upcoming meetings, in the monthly newsletters and on social media.

How can I help?

All parents are automatically members of the Paddock PTO, so there are no dues to pay! Whether you're looking for a way to volunteer or just want to know what's happening around the school you should plan on attending one of our upcoming meetings. Let's show our children how important their education, and their school is, by getting involved!

If you're looking for a way to get involved at school, we can help. We have moms, dads, grandparents, and other family and community members who help out. Our volunteers are in the classroom but also at home. Any amount of time you can give is great, whether its two hours a year or two hours a week. Whatever works best for you, we can make it work!
